Hello! My name is Žan. I'm from Slovenia. I live in the city of Maribor. It's a nice city. It's got a great park! I can rollerblade / ride my bike there. My grandparents / cousins live in a small town called Kamnik. It's about 120 kilometres from Maribor. In the summer, we always go to Kamnik for two / three weeks. I love it!

Every day / week we go to the Volčji Potok Arboretum. It's near Kamnik and it's very big! An arboretum is a garden with lots of different trees.

The Volčji Potok Arboretum is my favourite place in Slovenia. You can walk for a long time, and you can see many trees and beautiful flowers.

You can also see models of dinosaurs and whales. My brother / sister and I love them. They're huge!

Hello! Bonjour! Hello! Ciao!
